

LIFEBRIDGE HEALTH  
BRAIN & SPINE INSTITUTE

**Myles D. Brager, M.D.**

*Medical director of the Spine Center at Northwest Hospital, Dr. Brager received his medical degree from the University of Maryland. His post-graduate work included a one-year surgical internship, followed by a four-year orthopedic residency at the Hospital of the University of Pennsylvania. He received additional training in spinal surgery at the prestigious Texas Back Institute. Dr. Brager has had advanced training in numerous spinal surgery techniques including spinal disc replacement and has performed thousands of spinal surgeries. He is a frequent lecturer and instructor on spinal disorders and techniques of spinal surgery. Dr. Brager's practice is limited to spinal surgery. He is a member of the American Academy of Orthopaedic Surgeons and is certified by the American Board of Orthopedic Surgery.*
